## Ford F-150 Piston and Ring Kits

United Engine & Machine ICON Forged and Silv-O-Lite OE replacement pistons and ring kits are excellent options for all Ford F-150 applications.

- Kits include pistons, rings, pins and clips.
- ICON Forged Pistons are great for some applications as an excellent upgrade for severe duty applications. The forged low expansion 4032 alloy is well suited for high cylinder pressure loads and offer long service life.
- Ring sets are custom made for maximum longevity and performance
- For over 100 years, UEM has produced high quality replacement and performance pistons for engine building professionals.
