**Over the last 7 years, Team War Wagon has set multiple track records and several AA/FA World records using Icon Pistons.**

**We set the current AA/FA 1/4 Mile MPH World Record (304.59 MPH) with ZERO piston failures!**

**We use Icon Pistons in our machine shop, Farris Racing Engines, and we use nothing but Icon in our personal race cars and projects.**

**Icon hands down has the best customer service, when you need the best part available, give the Icon Team a call.**
